## Madison All-City League Coaches Meeting

High Point Swim Club  
901 N. High Point Rd  
Madison, WI 53717

Dear Diving Coaches,

High Point Swim Club is proud to host the 2014 Madison All-City Dive Meet. We are pleased to present this information packet and hope it will be useful as a guide to the important dates and procedures for the meet.

Please review this material, and share with your dive team parent contact. We plan to have the coaches' packet online at the All-City Dive website in mid-June. You will find a link to the All-City Dive 2014 website <http://highpointallcity.com/dive/>

The All-City score tabulation will be done electronically and manually this year. As a result, the dive entry form will need to be submitted electronically to the system. The system will be very similar to last year's system. Detailed instructions along with the electronic form will be sent to you two weeks before July 20, 2014 deadline for submission.

The required dives for the All-City meet per age group will be determined at the meeting tonight. We will draw for the dives, beginning with the 10 & Under age group. According to All-City rules, ages 12 and under are exempt from performing reverse dives as a required dive.

Please feel free to contact me at any time during the upcoming season with your questions or concerns. You may contact me by phone or email, and I will be available during warm-ups and during the meet.

Sincerely,

Cyndie Zocher
