Dear Coaches,

Hill Farm Swim Club will honor all graduating seniors at a recognition ceremony on Saturday, July 31, 2010. This will be the last All-City Meet for these hard working teens and we want to make it special for all.

Please provide a list of all your seniors with contact information. Please remind each senior to complete the biography online and submit that form plus a picture by July 20, 2010. Submission of an electronic picture is preferred. We will call to confirm and finalize your list on or before July 10, 2010. Please feel free to call, e-mail or write us with any updated information.

Thank you for your help in honoring this group of smart, talented, and highly dedicated teens. They have greatly contributed to the All-City League and we are proud of them!

Sincerely,

Deb Elsas and Solomy Ntambi
