827-6236

Dear Coaches,
Parkcrest Pool will honor all graduating seniors at a recognition ceremony on Saturday, July 30th, 2011. This will be the last All-City Meet for these great kids and they deserve some recognition for their hard work and effort throughout the years.

Please provide a list of all you seniors with contact information. **Please remind each senior to complete the biography online and submit the form plus a picture by July 18th, 2011.** Submission of an electronic picture is required. If there is any difficulty with this please feel free to email or call me to make other arrangements. I will call to confirm and finalize your list on or before July 8th, 2011. Please feel free to call or email me with any updated information.

Thank you for your help in honoring this group of extraordinary young people!

Sincerely,
Susie Anderson
