THE PETE CHRISTIANSEN EFFICIENCY TROPHY

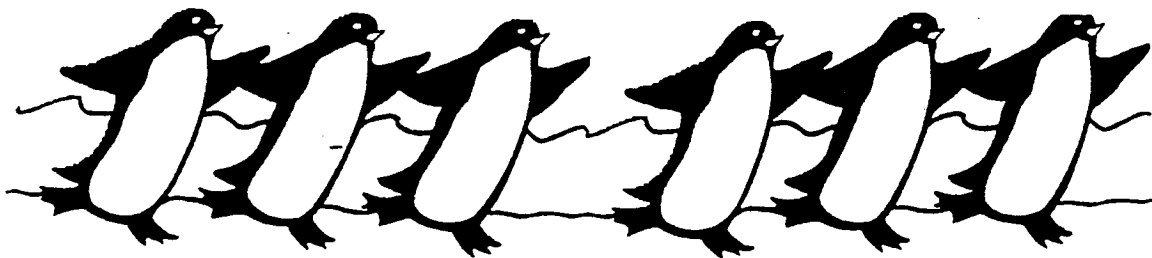

For all but one of the past thirty years, Pete Christiansen has served as the head swim official for the All-City Meet. All of the hosts of this big event have considered it essential to get his unbiased input and expertise to ensure an excellent event.

A math coordinator with the Madison Metropolitan School District until his retirement in 1993, Pete became interested in swim officiating when his children began swimming. Pete's family swam with both West Side and Ridgewood, and his daughter Patty also was a coach at Parkcrest. Patty's daughters continue the swimming tradition; her younger daughter won two events in the 9-10 age group at the Junior Olympics in Illinois this past spring. Pete often travels to Illinois to both officiate at meets in which his granddaughters are entered and to watch them compete. Pete enjoys spending time with his children and all of his grandchildren. He has eight grandchildren ranging in age from one to thirteen years of age. Family members are relatively nearby in Wisconsin, Illinois and Minnesota.

Pete was instrumental in working with three other swim officials in Wisconsin to organize training and certification programs for officials; he volunteered his time to travel around the state to accomplish this program. When he began as an official, there were no programs in *any* state to train and certify officials.

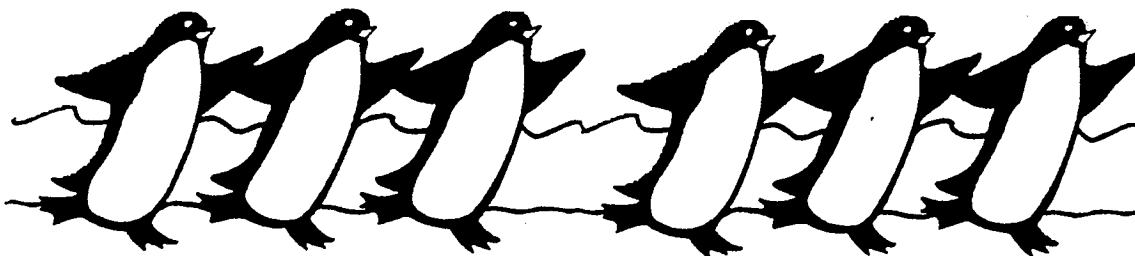

The majority of swim officials in the Madison area have had the distinct pleasure of being trained by Pete and of working with him as an official with All City Swimming, United States Swimming and/or WIAA swimming. We have all learned so much from him because he is the consummate teacher. He knows his subject matter; he makes certain that all officials know what is expected of them; he keeps competitors informed if there is a problem or a disqualification; and he answers coaches' questions. He always emphasizes that a swim meet is a team affair, and that the team is only as strong as its weakest link. Therefore, he makes sure that everyone---officials, timers, scorers, clerk of course---know what they are doing and that they consider themselves to be a part of the team. Pete believes that whatever meet an official is working is the Olympics for that swimmer. Each race, therefore, consumes his entire attention; he wants to be sure it is done right. Those of us who have worked with him have observed his professionalism on and off the deck and are striving to emulate it. All-City swimming has benefitted from his expertise these past thirty years. We hope all of us have learned enough from him to carry on in his tradition of excellence.

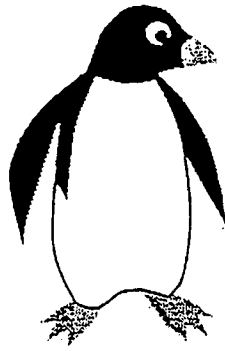

Although Pete's definition of a good official includes not calling attention to oneself---a good official is one who runs a meet so well that he is not noticed---the All-City Swim/Dive League voted unanimously to call attention to Pete by creating the Pete Christiansen Efficiency Trophy. This new traveling trophy will be awarded to the team whose members score the most points per swimmer. It is designed to "level the playing field" by reducing the differences between teams because of size; smaller teams can show their talents and enthusiasm by scoring well in terms of their size. It is hoped that all who participate in the All-City Swim Meet in coming years will remember and appreciate all of the contributions Pete has made to this event!

A BIT OF ALL-CITY SWIM MEET HISTORY

This 38th Annual All-City Swim Meet brings with it a rich tradition. We thought you might be interested in a little history of this event....

The first All-City Swim Meet was held at Hill Farm in 1962. Hill Farm, Ridgewood, Westside, Maple Bluff and Shorewood were the teams that competed. All of the events (swimming and diving) were completed in one day. The teams were limited to entering only their top swimmers and divers in the meet. Also of interest is the fact that, before its pool was built, Shorewood held its meets in Lake Mendota. The swimmers swam between two piers. Ropes were used to mark the lanes and were attached to boards attached to the piers. On a windy day, your lane would shift while you swam and you might find yourself sharing the lane with a fish!

By the mid-sixties, the meet was changed to allow all swimmers to compete.

In 1966, six teams competed: Hill Farm, Monona, Maple Bluff, Ridgewood, Shorewood and Westside. In 1968, Parkcrest joined the competition, and Nakoma was added in the early 1970's. The 1980's brought in Middleton in 1986 and Cherokee 1987. In 1994, High Point and Seminole brought the All-City swim clubs total to twelve.

Records have been kept since 1966. Westside and Parkcrest both have All-City swimming records that go back to 1972.

The following is a list of the years that the various pools have hosted the All-City Swim Meet:

Hill Farm:	1962, 1969, 1975, 1982, 1989, and 1998
Ridgewood:	1963, 1968, 1974, 1981, 1988, and 1997
Maple Bluff:	1964 and 1994 (with Cherokee)
Westside:	1965, 1966, 1967, 1973, 1980, 1996 (at UW Natatorium)
Parkcrest:	1970, 1976, 1983, 1990, [REDACTED], 1999
Shorewood:	1971, 1977, 1984, 1991
Monona:	1972, 1979, 1986, 1995
Nakoma:	1978, 1985, 1993 (at Highpoint)
Cherokee:	1987 (with Westside), 1994 (With Maple Bluff)
Middleton:	1992

Anecdotal reports suggest that the All-City Swim Meet is one of the largest of its kind in the country (some even say we are second!) The long history of this event is a credit to all of the swimmers, coaches, pool directors and parents who have worked so hard over many years to ensure its success. We salute all those who have worked on the All-City Swim Meet and who will continue to work on this event in the future.
