PARENTS' CODE OF ETHICS

I hereby pledge to provide positive support, care and encouragement for my child participating in youth sports by following this Parents' Code of Ethics:

- I will encourage good sportsmanship by demonstrating positive support for all players, coaches and officials, at every game, practice or other youth sports event.
- I will place the emotional and physical well being of my child ahead of my own personal desire to win.
- I will insist that my child play in a safe and healthy environment.
- I will require that my child's coach be trained in the responsibilities of being a youth sports coach and that the coach uphold the Coaches' Code of Ethics.
- I will support coaches and officials working with my child, in order to encourage a positive and enjoyable experience for all.
- I will demand a sports environment for my child that is free from drugs, alcohol and tobacco and will refrain from the use at all youth sports events.
- I will remember that the game is for youth - not adults.
- I will do my very best to make youth sports fun for my child.
- I will ask my child to treat other players, coaches, fans and officials with respect regardless of race, sex, creed or ability.
- I will help my child enjoy the youth sports experience by doing whatever I can, such as being a respectful fan, assisting with coaching, or providing transportation.
- I will read the National Standards For Youth Sports and do what I can to help all youth sports organizations implement and enforce them.

Service Project

The 2000 All-City Swim Meet swimmers and spectators are asked to contribute non-perishable food items for entry to the meet. Spectators who do not wish to bring a food item may make a money donation. Collection barrels will be located next to the spectator entrance to the pool. Money donation jars will be located at the heat sheet sales table outside the spectator entrance. All contributions will go to the Community Action Coalition of South Central Wisconsin for distribution. This is a cooperative service project rather than a competition among teams. Thank you for your help in making this effort a success!

Team Tents

The swim team tents will be located on the grounds of the Shorewood Hills Pool. There will be a map of the site posted near the spectator entrance of the pool. This information is posted on the All-City website (www.allcityswim.org). Swimmers and their parents are asked to clean up their tent area at the end of each day.

Telephones

Several cellular telephones, provided by U.S. Cellular, are available for complimentary use. The phone will be located near the Awards tent in the parking lot. These phones are provided to permit swimmers and spectators to make necessary brief local calls.

Website

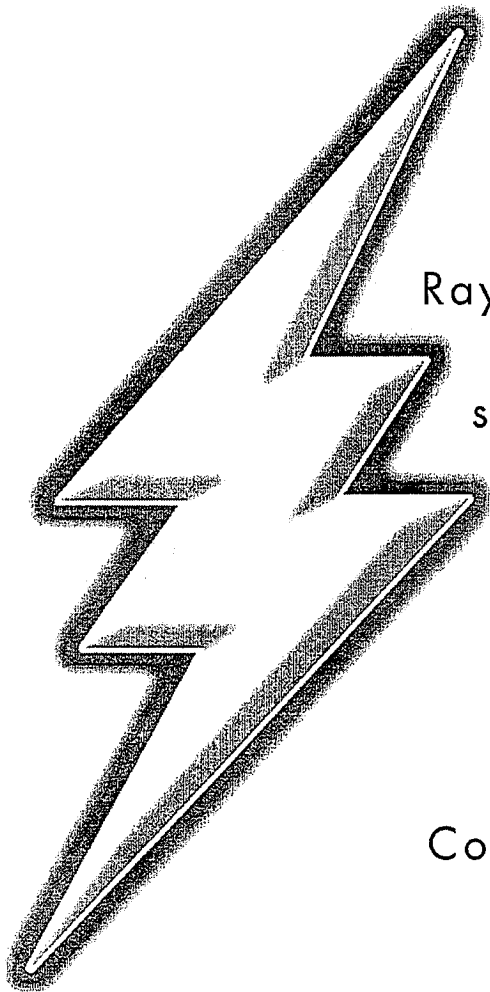

The All-City website, www.allcityswim.org, provides information about the 2000 All-City Swim and Dive Meets. Check out previous meet results, records and other information about the All-City Swim and Dive League. The All-City Swim Meet website will be updated regularly during the meet.

YEE!!!!

If I'm buying or selling a home in Shorewood Hills should I select a Realtor with a proven track record of sales here?

YES!

and I'd want one that has sold more Village homes than any other Realtor and a company that, combined with his sales, has SOLD nearly "70%" of the homes in recent years.

*I've SOLD almost "4" TIMES AS MANY
as my nearest competitor!*

call me - I'll be privileged to work for you too.

Verona Aquatic Club

You trained hard all summer to get here!
Don't Waste it!

Did you know that swimming is the most injury free of all youth sports. Competitive swimming builds a strong sense of self and builds attitudes and solid work habits that serve well into adulthood.

We're small enough to build superior swimming skills with personalized coaching. Perfect your stroke technique and achieve year round physical fitness!

Train in one of our 7 groups, ranging from beginning to advanced, which best fits your skills and level of commitment. We use two

different pools, the Bishop O'Connor Center and the Verona Natatorium.

Stop by our All City booth and sign up for your FREE week of training and check us out.

Fall Session runs Sept.17-Dec 11, 2000

STADIUS OG

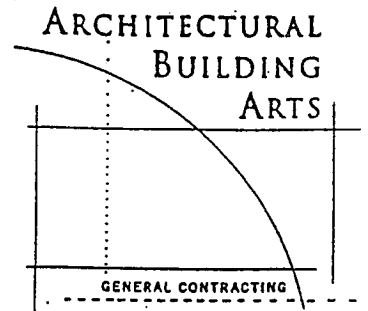

So much thought goes
into our projects,
even the nails feel special.

Many older homes lack the forward thinking that is built into today's homes. Remodeling your older home should involve careful planning so you make the most of the available space.

At Architectural Building Arts, we're serious about creating a viable living space that complements your lifestyle and living habits.

Craftsmanship isn't just about the quality of our work, but the quality of our thoughts as well.
