SCOTT McCALLUM

**Governor
State of Wisconsin**

Dear swimmers, parents, coaches and spectators:

I would like to take this opportunity to welcome you to the 2001 All City Swim League Championship meet. What a wonderful opportunity for the citizens of the Madison area to show support for the youth of our communities. With over 1,500 swimmers, ranging in age from 6-18, and their families taking part in this event, it is a major undertaking for all the participating swim clubs and their members. Their dedication and commitment is astounding.

This year, the Middleton Gators Swim Club is the proud host of this 40th annual meet. All of my children have been involved in competitive sports and I realize from their participation, and mine, that the lessons learned in athletic competition are lessons that serve us well in life as well as in sports. Your presence, over the course of the next three days, will provide valuable support as these young athletes learn these lessons for a lifetime and create a lifetime of memories.

Sincerely,

Scott McCallum
Governor

All-City Swim Meet 2001

THE PETE CHRISTIANSEN EFFICIENCY TROPHY

For thirty years, Pete Christiansen served as the head swim official for the All-City meet. Each hosting pool would call upon his services to ensure a fair and well-run event. Many a swimmer and parent can recall his gentle and patient manner as he worked amidst the chaos of an All-City meet.

Many of the swim officials in the Madison were trained by or worked with Pete. His emphasis was on the team aspect of the sport. He made sure that everyone involved in running a meet knew they were as much a part of the team as the swimmers and that their efforts contributed to make each meet successful for everyone involved.

The entire community was saddened when Pete passed away due to cancer in June 2000. He had worked with the Madison Metropolitan School District for over thirty years until his retirement. He then worked part-time for the University of Wisconsin Center for Educational Research. Pete was not only active in refereeing swimming, his career included refereeing football and announcing for the WIAA, city leagues and other athletic events. His participation in the community touched the lives of many people.

In order to recognize his efforts, the All-City Swim and Dive League Board named an annual efficiency trophy in his honor. This trophy is awarded to the team whose members score the most points per swimmer. All teams have an equal chance to win this award no matter what their size. This trophy was named after Pete to acknowledge his efforts for the swimming community and to help all of us emulate his professionalism on and off the deck.

Pete Christiansen was a gentleman in every sense of the word. We would like to let his children, Pete, Patty, Jim and Sara, and their families know that we appreciated all Pete did to bring the All-City Swim League to where it is today and that we will remember his efforts in the years to come.

All-City Swim Meet 2001

SALUTE TO SENIOR SWIMMERS

The Middleton Gators are pleased to host the 40th annual All-City Swim Meet. We welcome the participating swim clubs to one of the largest meets in Wisconsin. We would like to wish all of the 1426 swimmers the best of luck in their events and hope that the 2001 All-City Swim Meet is an enjoyable experience for everyone.

On Saturday morning, we will have a special recognition ceremony for the seniors who will be swimming in their last All-City Meet. This group of 44 seniors has been competing for a combined total of 382 years! The list that follows recognizes them and their parents, indicates the number of years they've been swimming with All-City, and shows what they'll be doing once the summer is over. We would like to applaud them for their accomplishments and wish them well in their future endeavors.

MEYO Swim Team

Madison East YMCA Octopi

711 Cottage Grove Road, Madison
Head Coach Lynn Stickels

Here are some of the reasons why more than 150 swimmers and their families choose to join MEYO:

*We build strong kids,
strong families,
strong communities.*

* MEYO focuses on the entire child -- body, mind and spirit. Our goal is to build happy, healthy and competitive swimmers and to help all team members reach their maximum potential.

* Our coaches have more than 50 years combined professional coaching experience. They emphasize technique and healthy conditioning instead of "yardage garbage."

* MEYO's extensive schedule of both U.S. Aquatics and YMCA meets means swimmers and their parents -- not the coaches -- decide when and where they want to compete.

For more information, contact Madison East YMCA Aquatics Director Robin Berg at 221-5462 or check us out on the web at www.geocities.com/meyo_octopi
