another four-game losing streak.

This year, however, the All-Stars have more than history going for them.

Graham, one of the all-time great quarterbacks in pro football, took over the All-Star coaching reins in 1958 with a 35-19 victory over Detroit. It was the last for the All-Stars.

The All-Stars did it on a combination of the running of Bobby Mitchell, the field goal kicking of Bobby Conrad, the passing of Jim Ninowski, and an adequate defense.

The saying has been that a team must succeed in the air to beat the pros. Last year the All-Stars completed 14 passes for 201 yards but fell before Green Bay's 21-point splurge in the final quarter, 42-20.

Green Bay passed for 255 yards in that game but the Packers also picked up 125 yards rushing to only 30 for the All-Stars. Actually, it was Green Bay's running threat which kept the All-Stars off balance and allowed Bart Starr to heave five touchdown passes.

This year, the All-Stars have four quarterbacks who can both run and pass. They are Heisman Award winner Terry Baker of Oregon State; Sonny Gibbs of Texas Christian and Glynn Griffing of Mississippi.

They also have speed and power in the backfield. Larry Ferguson of Iowa, Bob Paremore of Florida A and M, Charlie Mitchell of Washington and Roger Kochman of Penn State have the speed. Ben Wilson of Southern California and Bill Thornton of

THE CAPITAL TIMES, Monday, July 29, 1963—17

Nebraska are capable of supplying power.

Bob Jencks of Miami, Ohio, can't find field goals and proved it with one from 27 yards and another from 40 yards in a 13-12 scrimmage loss to the Chicago Bears last week.

And pitting fire against fire, the All-Stars have come up with gigantic but speedy linemen. On defense they'll average 225 pounds with the likes of Chuck Sieminski of Penn State, Lee Roy Jordan of Alabama, Lee Roy Caffey of

Texas A and M and Danny Brabham of Arkansas.

On offense, the All-Stars line can average 250 pounds with Bob Vogel and Daryl Sanders of Ohio State, Ed Budde and Dave Behrman of Michigan State and Don Chay of Clemson.

Close Win

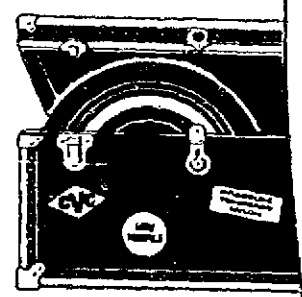

DE FOREST — DeForest nipped Madison Nedrebo's, 7-6, in an exhibition baseball game via a four-run rally in the sixth inning. Jim Lapp, Ryan Gove and Jim Kloth hit homers for the winners.

MRS. ALONZO STAGG
knew more football

Stagg's Wife Stella, Dies at 88 Years

STOCKTON, Calif. (AP) — Mrs. Amos Alonzo Stagg, who knew more about football than most men, is dead at 88.

The sprightly Stella, who married Stagg in 1894 and spent her honeymoon chaperoned by the traveling University of Chicago team, succumbed to kidney failure Wednesday.

Survivors include her husband, who will be 102 on Aug. 16, a daughter Mrs. Ruth S. Lauren of Chicago, and two sons, Amos Alonzo Jr., of Chicago, and Paul, athletic director at University of the Pacific in Stockton.

Mrs. Stagg, the former Stella Robertson, met her husband shortly after he became the first football coach at the University of Chicago in 1892. One of his first recollections of her was of a "scrappy girl who could play basketball under men's rules."

After their honeymoon on the train taking the Maroons west to play Stanford, Mrs. Stagg began helping her husband. She would chart games, took notes on practice sessions and went on scouting trips.

Later she carefully preserved the records of her husband's feats dating back to the days where he was a star baseball player at Yale and was also honored on the first All-America football team.

The past few years Stagg has been confined to a convalescent home, with his wife a daily visitor. She became ill last week, underwent abdominal surgery on Friday.

Three Win Boys Baseball Titles

Two midget teams and one fly-weight team clinched titles in their respective leagues Thursday to bring the total of crowned champions to seven the city boys baseball program.

Servisoft Bobcats defeated Hertz, 6-4, to take the Midvale No. 2 midget league pennant, and Mickie's midgets punted Perzborn Plumbing, 20-3, to nail down the Cherokee No. 2 championship.

Steve Manion rapped out three hits and hurled a one-hitter in leading Fauerbach Foods to a 10-0 victory and the Vilas flyweight flag.

Of four no-hitters pitched, Tim Endres probably had the toughest time as he held Welch's Embers hitless but Berg-Pearson still dropped a 3-2 decision in the Olbrich junior league.

Dan McEvilly's no-hitter enabled Shomberg Builders to defeat Guardian Life and move into first place in the East midget league.

Dave Lund of American Land-Insurance midgets and flyweight Bruce Garlinghouse of Hugel-Hyland turned in no-hit, no-run performances. Lund struck out 12 batters.

A pair of midget loop teams had their undefeated strings snapped with Optimist Breakfast club defeating Van Hise No. 1 leading Brunke Glass, 2-0, and Beehner's Construction topping Valvoline Oil, leaders of the Schenk No. 2 circuit. Duf Coyle singled home the winning run for Beehner's in the fifth.

in the Winger No. 1 junior league, Tom Seybold of the Giants drove in the winning runs and pitched the victory for his team but he also hit a flyball which the Cuba Club centerfielder turned into a triple play by catching runners off first and second.

The Giants' win pulls them into a virtual tie with Cuba Club for the league lead.

Four Swimmers Triple Champs

'Thirty-four boys' and 28 girls' champions were crowned in swimming and diving events at the annual city swimming championships Sunday at B. B. Clarke beach.

There were four triple winners — Tom Thompson, Steve Wenzel, and Don Dolphin in boys competition, and Ruth Picone in girls. All four won a diving event as well as two swimming events each.

Double champions included Jerry Phelan, Bill Schultz, and Jim Kippert in boys, Linda Kilpatrick, Alana Ronne, Robin Siebecker, and Marcy Morgenthaler in girls.

Director Bob Harris said the championship meet Sunday culminated three weeks of qualifying and finals in which 253 boys and girls battled for swimming titles, and at least 50 more fought for diving crowns.

Winners of the first three places in each of the 62 events were awarded certificates.

Gregorich Stars for Springfield

Blanks Ashton On One-Hitter

Waterloo, Verona, Black Earth Win

By JOE DOMMERSHAUSEN
(State Journal Sports Writer)

Spectacular pitching, including a near no-hitter by Ed Gregorich of Springfield; big innings by Poyette and Blanchardville, late-inning rallies; a triple play by Dane; and a game-winning home run by Tom Wilke of Waterloo were among the heroics in 4 games of the Home Talent Baseball League Sunday.

First-half sectional champions Black Earth, Sauk-Prairie, and Belleville scored their second straight wins in second-half races, as did Waterloo, Stoughton, Cross Plains, Springfield, DeForest, Wiat, and Argyle.

Sartorius, Rens Sharp Gregorich's one-hitter was the best of four pitching gems in the Western section. Gene Esser's leadoff single in the ninth was Ashton's only hit as Springfield won, 4-0. Ed Hellenbrand singled home the first Springfield run.

Gary Sartorius whitewashed Pine Bluff on two hits while

E. GREGORICH T. WILKE

Verona was winning, 6-0. Marv Swigum singled in the first inning and Mike Zwettler singled in the eighth for Pine Bluff's hits.

Three errors helped Verona to its first two runs in the fifth.

Dennis Rens, Black Earth's ace right-hander, shut out Middleton on three hits in a 5-0 triumph. Jerry Wendt's sacrifice fly with the bases loaded scored the first Black Earth run in the fourth, and the defending Western section kings added four runs in the fifth. Tom Wilks doubled home one tally, and Jerry Barsness followed with a three-run homer.

Roger Gorst gave Speedway only four hits while Cross Plains chalked up a 6-1 triumph. Gary Frisch singled home Speedway's run, Jack Hogan drove in two Cross Plains runs with doubles in the second and third.

DeForest, Poyette Romp Sauk-Prairie notched its eighth straight win of the year by turning back Rio, 9-7, with four runs on five hits and a walk in the sixth.

DeForest's young club collected 17 hits, including a two-run homer by Dale Schneider in the eighth, in routing Dane, 19-3. Dane's triple play came in the fifth when DeForest had the bases loaded after scoring its fifth run of the game.

Poyette scored 10 runs on two walks, three errors, and nine hits in the second inning for a 12-0 lead and went on to a 14-8 triumph over Westport. John Bisco's four singles topped Poyette's 18-hit offensive.

A nine-run third inning sent Blanchardville into a 10-0 lead, and it rolled over Dodge-Point, 16-4, in one of four Southern section games. Larry Larson's winners had eight hits in the spree. Phil Tremelling had a two-run homer for Dodge-Point in the fourth.

Wiat had only three hits off prep coach Don Smith but pulled out a 3-2 win over Hollandale in the ninth. Dale Schlem's triple, and Gerald Schlem's sacrifice fly produced the tying and winning runs.

Ken Schuetz set New Glarus down with three hits and had a shutout until the ninth as Argyle won, 5-1.

Marv Vike struck out nine as Belleville rallied for four runs in the seventh and scored twice in the eighth to defeat Ridgeway, 8-7. Ernie Furrer touched off the winning eighth with a double and scored on Linus Stampf's single. Ensuing singles by Jack Butts and Don Austin posted the winning marker.

Wilke's homer in the last of the ninth gave Waterloo a 6-5 decision over Cottage Grove's first-half Eastern section winners. Bob Holzhueter shaded southpaw Willie Seim on the mound, although Cottage Grove had a 9-7 edge in hits.

Stoughton handed Albion its eighth straight loss, 8-1, as Don Vike effectively spaced eight hits. But the winners had trouble until scoring twice in the seventh and four times in the eighth.

Sun Prairie's defending league champions evened their Eastern section second half record at 1-1 as Stan Wagner pitched a five-hitter in a 6-2 win over Utica. Wagner struck out 18. Leon Piddington doubled home two runs in the first, and the champions added three markers in the third.

All-Stars Picked for Home Talent Series

ROUNDDY SAYS ...

Here it is July 18th today and July is near gone. Years ago the calendars looked like long months now you look at it and the months disappear.

This month the Pro football teams report. Years ago if you seen a guy in a football suit in July you would call the old paddy wagon.

That Pro football is really a money setup. Between what they get at the gate and the TV total there ain't enough Brink trucks to take all the money to the bank.

I called Milt Bruhn yesterday but they said he had gone for the day. I hope he gets back by fall.

Johnny Erickson he is the one that is fixing up a golf match for us. What is the date and whereabouts? Get ahold of me so I will know what is going on.

I got to go up to the Dell View at the DeL's a lot of people told me they got beautiful show there. They have two shows a night up there called "Standing Room Only". Al Gossan is the professional choreographer. He is a teacher of the jazz dance with a studio of his own in Chicago. He does a good job and how. Nick Venden, son of Mr. and Mrs. Olaf Venden of Middleton is the director of the show and of the band. Edith, my secretary, and her husband, Ray Brereton they seen the show. They said it is terrific.

Remember the date of July 21st it is Jimmy Demetral's 37th annual wrestling show for the retarded children. It will be held at Breese Stevens field at 8:30 p.m. Jimmy works awful hard for this show and we all got to help him make a lot of money for these children. We can help if we buy a ticket or some tickets for this wrestling show and how.

The other day we finally found Bob Kessenich I ain't seen him since last winter but we caught him on the right day he was really loose. As a general rule he goes for the telephone booth when the bill comes but this time he went to the cash register. If he keeps that up we can see him again.

Frank Cox from Somers, Wisconsin he is serving with the Peace Corps in Venezuela. He pitched a no-hit perfect softball game over there nobody got to first. He is the son of Mrs. Margaret Cox of Somers, Wisconsin.

Ben Berger says: I read in the Wisconsin State Journal that 61 year old dancer Sally Rand was arrested at an Omaha night club for allegedly showing too much epidermis. Jeppers, most gals at 61 can't show anything but disappointment.

BASEBALL — In that All-Star game the other day it was the ninth inning the American League first batter got a two base hit and they were only behind one run. I think hit away is the only thing here I can't see nothing else. If it was in a World Series with the same situation then I could see a bunt. Or a game maybe meant the pennant. But the situation in Minneapolis was nothing but hit away.

There is only about 15 percent of the baseball players know how to bunt and lay down a sacrifice. You see it on TV they look awful up at the plate on that. That was a bad call

Counsell Snares 'C' Yacht Race; Beck Girls Win

Paul Counsell skipped his Paulbearer to victory over a gold cup course Saturday in the Class C racing series of the Mendota Yacht club. The sailing on Lake Mendota was marked by an 8-12 mile per hour wind.

Susie and Sarah Beck guided Tagalong II to a triumph in the Cub fleet. John T. Mendenhall's Pretzel Jr. IV won the E race, which did not count in the series since most of the E fleet participated in a meet at Pewaukee.

Leaders:
Class E: 1—John T. Mendenhall; 2—Bill Kanne; 3—Jack and Tim Slickies; 4—Lu Schilling; 5—Dr. Gary C. Hauser; 6—B. W. Huisman.
Class C: 1—Paul Counsell; 2—Ken and Bob Kellithour; 3—George Schlotthauer; 4—Gail Slick; 5—Bill Young; 6—Jack Low; 7—Patsy Curtis; 8—Dr. Stan Cardinal.
Class X: 1—Susie and Sarah Beck; 2—Danny Stiller; 3—Marc Crumpton; 4—Pam Henkel; 5—John Krogsd; 6—Mimi Hanks; 7—Nick Rahm; 8—Don Stroud; 9—John Corne.

from the bunch. If you had a re-run of that picture you could see how he bunted he would have did better with a broom.

When baseball ended last fall Mickey Mantle had a life time home run record of 454. Eddie Mathews had 445. That answers this man.

I got this from Plain, Wisconsin. He answered it for me.

ROUNDDY:

If my memory serves me right I think you will find that Christy Mathewson pitched a game that he made 57 pitches in nine innings.

I would like for you to answer this one. Who pitched the longest World Series extra-inning game yet played?

Babe Ruth, Boston vs. Brooklyn 14 innings he pitched the full game in 1916, score 3-1 Boston. Yours truly, Ed Dwyer

This is to notify the man who wrote in to me. Walter Johnson he pitched 113 shutout games.

RODEO — The Holmes family are having their 16th annual Rodeo on July 23, 24 and 25. They got the best in the business they come from all over the United States. From here they go to Cheyenne that's the world's great Rodeo. So you can see the talent Jim Holmes and his father Frank are getting here. They had a packed house last year they better get more seats this year. They have a lot of stunts that are really worth while to see. I am going to sit on the side this time I don't want to be near that gate where the Brahma bulls come out. Do they ever toss them riders around wow.

I seen Art Noe and George Millard of Portage the other day. They said they were going down to the races. I might hear from them and get a tag day going for them.

Division Squads List 80 Players

Two Games Open Play Next Sunday

By JOE DOMMERSHAUSEN

(State Journal Sports Writer)

Eighty players from 30 teams have been named to the Home Talent Baseball League's four sectional squads for its annual All-Star series.

Western and Northern section stars will clash at Poynette and Southern and Eastern aces will meet at Deerfield next Sunday (July 25). Both games are scheduled for 1:30 p.m. starts.

The winners of next Sunday's games will tangle July 28 at either Middleton or Poynette for the "championship." The final game's site will be determined by the winner of the Western-Northern game.

Proceeds of the games are used to defray league expenses. The Eastern-Southern game again will feature the Deerfield Firemen-Legion festival and no admission will be charged. Admission will be charged at each of the other two games, however.

The 80 players have been chosen by Commissioner C. A. Lewis and members of the executive committee with the help of the managers of the 30 teams comprising the league this season.

Players who are unable to take part in the games are requested to contact the manager of their respective sectional team. Eastern and Northern players will hold batting drills from noon to 12:30 p.m. prior to the games. Southern and Western players will drill from 12:30 to 1 p.m. Each player is to wear his respective team's uniform and also bring his own glove, bat, and a practice ball.

The Northern section will be after its third straight All-Star championship.

South, West Talent All-Stars Win

Gift Run Nips East Club, 6-5

South Advances to Series Finals

By JOE DOMMERSHAUSEN
(State Journal Sports Writer)

DEERFIELD — An error, two hit batsmen, and a bases-loaded grounder to open the Southern section a seventh-inning tally here Sunday and it held on behind the fine pitching of righthander Ken Schuetz of Argyle to defeat the Eastern section, 6-5, in the Home Talent Baseball League All-Star Series.

The result sends the Southern stars up against the Western ones at 7:30 Wednesday night at Middleton for the "championship."

Schuetz' three-inning hideout, two-run doubles by Tom Brunker of Ridgeway and Jerry Schliem of Wota, and a run-scoring squeeze bunt by Pete Liddicoat of Dodge-Point made up the heroics for the Southern squad.

Righthanders Marv Carlson of Dodge-Point, who did some yeoman mound duty despite three wild pitches, and Schliem gave up the Northern section's five hits during the first six innings. Then Schuetz, a Wisconsin State Journal Silver Slugger a year ago, mopped up.

Bob Olson of Belleville, Brunker, and Schliem each had two hits off four Eastern pitchers, including Kittleson and Sonny Swangtu of Stoughton who were pressed into mound service because two chosen All-Star hurlers failed to appear.

Southern took a 3-2 lead in the first inning, scoring on singles by Ernie Furrer and Bob Olson of Belleville, Liddicoat's sacrifice, a walk by Bob Weck of Ridgeway, and Brunker's double to left. Leon Piddington of Sun Prairie doubled home Eastern's tying run in the third.

East Takes 5-3 Lead
The Eastern section took a 5-3 lead in the fifth. Kittleson singled and beat the throw to second on a sacrifice by Ralph Brockert of Cottage Grove. Brockert also was safe.

Don Gruber of Waterloo forced Kittleson at third but Cy Weiser of Sun Prairie singled the lead run, and righthander Don Strand of Deerfield issued successive walks to Piddington and Jerry Pohlman, the latter of Cottage Grove, for the fifth tally.

Southern tied the score in the sixth. Brunker singled and raced to third on a single by Monte Olson of New Glarus ran for Olson and stole second, then scored behind Brunker on Schliem's double off Peacock's glove in left.

Close Door on East
Joe Peacock of Deerfield rapped a double off the left field fence to open the sixth, but thereafter the Easterners were handcuffed by Schliem and Schuetz. Schliem, a former Plattville State University hurler and Schuetz was on the LSU team last spring.

Bob Olson's fine gloved hand grab of a low grounder off Brockert's bat in the sixth and several fine running catches by Dick Sarbacher of New Glarus and Weiser in centerfield were defensive gems of the game.

Bob Everson of Ridgeway managed the Southern section, which scored its third straight All-Star series victory here.

Ray Sherman of Blanchardville slams a hot grounder to open the second inning for the Southern section in its Home Talent Baseball League All-Star Series victory over the Eastern section at Deerfield Sunday. The grounder bounced and hit shortstop Dale Huebner of Utica who could not retrieve the ball in time to make a play. The catcher is Bill Hebl of Sun Prairie and the umpire Ossie Schwab of Madison.

Ashton CYO Rips St. Dennis, 13-1

Ashton St. Peter walloped Madison St. Dennis, 13-1, Sunday for its eighth straight win as the CYO Baseball League's only undefeated team. Ashton widened its Eastern section lead to 1½ games as Plain St. Luke stopped Westport St. Mary of the Lake, 2-0.

Sun Prairie Sacred Hearts took over second place in the Eastern standings with a 16-2 rout of Dane St. Michael.

Mazo, Pine Bluff Win
Martinsville St. Martin defeated Middleton St. Bernard, 8-2, and remained a half-game ahead of Plain for the Western division lead. John Buechner scattered eight Middleton hits. Don Pertzborn tripped and Roger Endres, Buechner, and Vern Endres singled for three runs in the first inning.

Mazomanie St. Barnabas put together singles by Bill Wolf, Jack Murphy and Vern Wendt's triple for four runs in the second inning in nipping Cross Plains St. Francis Xavier, 4-3.

Dave Hinelein allowed Waunakee St. John a home run by Art Barbian and a single as Pine Bluff St. Mary won, 4-1. Hinelein struck out 13. John Coyle singled, for the fifth tally.

Four-Run Sixth Tips North, 6-2

Barsness Homers in West Uprising

By DAVE DOMMERSHAUSEN
(State Journal Sports Writer)

POYNETTE — Jerry Barsness of Black Earth boomed a two-run homer to cap a four-run sixth inning uprising that carried the Western section to a 6-2 victory over the Northern here Sunday afternoon in the Home Talent Baseball League All-Star Series.

The loss dethroned the Northern section, which had won the All-Star Series "championships" the past two years. With the victory the Western section advanced to the "title" game Wednesday night at 7:30 at Middleton.

West Breaks Loose
The Western stars, managed by Ashton's Joe Hady, once a star with the former Madison Blues semi-pro team, were scoreless for five innings with Jerry Hady, Ashton outfielder, coining a leadoff single in the first for their only hit during the span.

Doug Burgenske of Verona started the four-run spree with a single, stole second, and took third as Middleton's Steve Cantwell grounded out. Hady then pulled up at first with a hit as pitcher Bill McCormick of Poynette was forced to hold the ball as first base was unprotected.

Wayne Kalso of Black Earth doubled to right to score Burgenske, and Hady scored as the ball was bobbled in the outfield. Barsness followed with his homer.

Doubles Add Run
Chuck Mickelson, Soldiers Grove prep coach who plays for Black Earth, doubled with one out in the Western seventh and scored on an ensuing two-bagger by Burgenske. The Verona pitcher-catcher stole third and a d scored on an error by catcher Jim Meister of Sauk-Prairie.

The Northern All-Stars scored in the second, then could muster only four singles over the remaining seven innings as Gary Sartorius of Verona, Cantwell, and Dennis Bens of Black Earth hurled great ball.

Meister's double in the first inning was harmless as he was caught at third. Bob Helman of Westport opened the Northern's second with a single and stole second. Vic Tomlinson of Poynette bounced to Mickelson at third but all hands were safe as Mickelson threw wild to first.

Don Hohlstein of Rio sent Helman and Tomlinson home with a long single to left.

(AP)—Top-seeded Roy Emerson and Fred Stolle of Australia, seemingly unperturbed by their surprising losses to Charles Pasarell of Puerto Rico in last week's Pennsylvania championships, swept through first round opponents with ease Monday in the Eastern grass court tennis championships.

Three other no-hitters were registered besides Reilly's timely performance. Bob Karpinski hurled a 3-0, no-hit victory for Capital Times of the Wingra junior circuit, and Chuck Mussey's no-hitter for Haase Construction killed the Servisoft Bobcats' last hope of catching the Shamrocks.

Gilchrist Won't Apologize, Faces Suit by Broncos

DENVER, Colo. (AP)—Cookie Gilchrist charged the Denver Broncos with intimidation Monday and said he would retire before publicly apologizing to the American Football League team for his late appearance at training camp.

The 250-pound fullback, named by the Broncos in a threatened \$400,000 breach of contract suit for allegedly refusing to play for the club, made the statements in a copyrighted interview with the Denver Post.

Gilchrist, who signed a two-year, no-cut contract with the Broncos for a reported \$37,500 a year and a \$3,000 annual bonus, said he was satisfied with his pay and that his differences with the Broncos are a matter of principle.

"I'm here to play football," he said, "but if they try to make me apologize, I won't play. I feel that for the last three years (with the Buffalo Bills) I have been playing under suppression."

Steeler Back King Traded to Vikings

BEMIDJI, Minn. (UPI)—The Minnesota Vikings Monday acquired veteran halfback Phil King from the Pittsburgh Steelers in return for a future draft choice.

King, who captained the Vanderbilt team in 1957, was the first round draft choice of the New York Giants in 1958.

He had a good rookie year, gaining 316 yards, rushing. A series of injuries, however, plagued him the next few years.

His best season was in 1963 when he gained 613 yards and scored eight touchdowns.

He was traded to the Steelers prior to last season and was used sparingly behind Dick Hoak and Clarence Peaks. He gained 71 yards on 26 carries.

"King is a good, solid runner with good but not great speed," Viking Coach Norm Van Brocklin said. "He is also a fine receiver. His only problem has been those injuries. But with Tommy Mason being No. 1 at halfback, King won't have to carry the full burden through 14 games."
